

Northern Sustainable Schools Conference 2008

Date for Your Diary

7th & 8th February 2008

Venue: Park Inn Hotel, York

Thursday 7th February:

A day for school representatives; Head Teachers, senior managers and governors. To learn from other schools and practitioners from across the North of England.

Friday 8th February:

A day for local authority Officers and partner organisations from the public, private and third sectors to investigate a variety of strategic approaches to delivering a coherent approach for schools

A full programme and booking details will be available in November.

This conference is being organised jointly by the North East, Yorkshire & Humber and North West regional partnerships supporting Sustainable Schools. It is funded by the Department for Children, Schools and Families.
