A Professional Development Workshop for Primary and Secondary practitioners, ITE providers and advisors
Organised by One World Network North East

This one-day workshop will introduce a range of SEAL & Global Dimension resources developed as part of a project by DECSY, a development education centre in Sheffield. The workshop will help participants to:

- To provide clear pathways and appropriate resources for embedding the Global Dimension within the SEAL programme
- Use innovative SEAL materials (or review your own) for use in your school.
- Develop understanding of ways in which to combine two key areas of 21st century learning
