

## **Schools Against Waste Workshop**

3rd November 2009 4pm - 6pm  
Woodhorn Museum Archive and Country Park  
QE II Country Park  
Ashington  
Northumberland  
NE63 9YF

### **We need your input!**

The Regional Improvement and Efficiency Programme and Waste Aware North East are working together to develop a project that will:

- Help change the behaviours of schools, students and families towards Waste
- Provide an information resource and framework for providing practical support to schools recycling schemes and the management of Waste
- Develop effective promotion of the use of the Sustainable Schools Self Assessment Tool.
- Develop a waste awareness campaign for North East schools
- Develop a learning resource for North East Schools around waste and resource management

We are hosting a workshop that will enable us to update you on our project and the feedback we have received to date. More importantly it will allow you to have input on our planned approach and help us develop the project in a way that will provide North East schools with the maximum benefits.

We would be delighted if you would join us from 4pm on Tuesday 3<sup>rd</sup> November 2009 at the Woodhorn Museum and Country Park. Refreshments will be served on arrival.

To book a place at the workshop, please email [jobennison@daxi.co.uk](mailto:jobennison@daxi.co.uk) with your name and School. For further details about the project or the workshop please contact Jo Bennison, Waste Aware North East Co-ordinator 07815 754931
