This event aims to increase awareness of the DCSF's sustainable schools framework as a whole school improvement strategy. Delegates will develop an understanding of the global dimension as part of the sustainable schools framework. The Focus will be on generating practical ideas about bringing a global dimension to a sustainable school.

The event is targeted at:

- Co-ordinating teachers from across all key stages
- Senior leadership team representatives
- School improvement partners
- Local authority advisers and consultants

The day will include a range of workshops and contributions from:

- David Gardner, Curriculum Programme Manager (QCA)
- Anne Humble, Head Teacher (Monkchester Nursery, Sustainability Lead School)
- Mike Tones, DCSF Learning Outside the Classroom Champion
- Dave Smith, Children's Services Adviser (GONE)
